

FUFATON INDUSTRIES LIMITED

is a professional sweets and candy manufacturer in China, involving design, production and marketing of various kinds of candies and sweets, including Hand Decorated Marshmallow pops, Jelly pops, Lollipops, Marshmallows, Cake Decorations, Novelty Candy and etc.

With scale production ability, our monthly capacity reaches over half million pieces. We established scientific, intact and efficient quality management system, which extends from product designing, raw material control, on-spot production management to after-sale services with constant, stable and reliable quality assurance. BRC and HACCP system is fully implemented in our all managements. Also our products are widely introduced to domestic market and exported to countries worldwide.

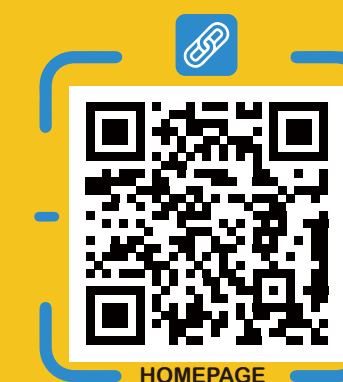

We bring fun to your sweets
